# Admission

## When should I apply?

Penn State reviews applications throughout the year, but we strongly encourage you to submit your application as soon as possible in the fall. Students can expect a decision within four to six weeks.

The Penn State application is available beginning August 1 at [admissions.psu.edu](https://admissions.psu.edu).

Students can also apply via the Common Application or Coalition for Access, Affordability, and Success. Visit [admissions.psu.edu/apply](https://admissions.psu.edu/apply) for more information. Students who visit Berks can get the application fee waived prior to submitting the Penn State application.

## Transfer Students

Interested in transferring to Penn State to complete your degree? It's probably easier than you think! Get started at [berks.psu.edu/transfer-students](https://berks.psu.edu/transfer-students).

**For assistance in transferring from another institution into one of our programs, please contact Admissions, 610-396-6060.**

## Scholarships and Financial Aid

About 82 percent of Penn State students receive some form of financial aid. Our financial aid staff can help you identify and apply for a variety of grants, loans, work study, campus employment programs, and scholarships to make your college education more affordable. Assistance for military veterans and adult learners is also available.

Students are automatically considered for scholarships, both merit-based and need-based, once they apply and are accepted to Berks. There is no separate scholarship application to complete. These scholarships are in addition to any other forms of need-based financial aid for which a student may be eligible.

To apply for financial aid, simply complete the Free Application for Federal Student Aid (FAFSA) online at [fafsa.gov](https://fafsa.gov). We recommend that you file by December 1.

**For more information on student financial aid, contact Financial Aid, 610-396-6070.**

THIS PUBLICATION IS AVAILABLE IN ALTERNATIVE MEDIA ON REQUEST. Penn State is an equal opportunity, affirmative action employer, and is committed to providing employment opportunities to all qualified applicants without regard to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.
